As parent/guardian I request the medication(s) listed below be given to my student during regular school hours.

- I understand medication will be administered by trained school employee volunteers.
- I understand a new medication authorization form will be required each school year, and whenever there is a dosage change.
- I understand parent or guardian is responsible for maintaining necessary supplies, medications, and equipment.
- I understand prescription medication must be transported to and from school by an adult\*.
- I understand all medication, both prescription and over-the-counter, must be in the current original pharmacy container and label, with the child's name, medication name, administration time, dosage, and health care provider's name.
- I understand over-the-counter medication must be in the original manufacture container.
- I understand the information contained in this order will be shared with school staff on a need-to-know basis.
- I understand it is my responsibility to notify the school nurse of any change in my student's health status, care or medication order.

I give permission for my child's healthcare provider to share information with the school nurse for the completion of this order.

#### MEDICATION INFORMATION

If a request is being made for school staff to administer asthma medication, epinephrine auto-injector, diabetes medication, or seizure rescue medication, an additional specific form(s) will be required, and must be signed by the parent and physician, and kept on file at the school. These supplemental forms will also be required for students who carry and self-administer asthma medication, epinephrine auto-injectors, and diabetes medications. Seizure rescue medication cannot be carried by a student.
