**Notes to Parents:** *While any 1st- 6th grade Odyssey student can be referred, those students who meet the requirements will be eligible for services. While we recognize all students have gifts and talents, our mission is to help all students reach their fullest potential. All students have the right to educational experiences that challenge their individual development, so students will be given those opportunities that best fit their individual needs. The gifted program is designed for students who need higher order thinking skills and exhibit general intellectual ability, specific academic aptitude in language arts, and/or are creative productive thinkers.*
